

Greetings Mommy and Daddy of fruitfulness 🍇👶. This morning Holy Spirit told me this verse, with extra emphasis on "not any one of them" !!Thank God, that includes you and us.

As a sister, mom CheraDee prophesied: baby 👶 boom is coming to us to His glory, which is His perfect will that mirrors the greatness of His love and grace.

🙏 I bless you to know you hear Him in your heart. Conception and raising godly children is not only a wish you have in your heart. ❤️ It is God will revelead in the Bible!!! And it is well possible because you are united with Jesus in love.

Greetings Mommy and Daddy of success. ✨

🏆 We watched a nice romantic film about musicians. 🎸 The man had serious fears of performing on stage, because his thoughts said: you will make a mistake, you are not good enough. Whereas the woman was a star. She admitted also having these very same thoughts. Finally they played together and learned not to listen to the negative thoughts.

When the temple in Jerusalem was being built, their enemies mocked them saying they would not succeed and cannot resurrect what had burned down.

Maybe you also face thoughts like: how could the healing/ miracle happen to you after many years, being only human, having this or that diagnosis? But look to Jesus who is for you, with you, fighting with you and who gave you His Word, promise, victory and miracle power!!!

A small testimony: last year my dog 🐶 was so afraid of the fireworks 🎆 that he didn't pee or poo from 6pm till morning. This New Year's Eve he was first afraid, too but thank God he focused more on his beloved female dog-mate and played, pood and peed without fears.

🙏 I bless you and ourselves to focus on Jesus and never to heed fears or lies about your abilities. I bless you to fight boldly the victorious fight and know Jesus' mighty love for you. You can build up the temple of God, which is your family, the church in Jesus.

Valuable comment from a sister called mom Azuka: "So glad your dog had someone to keep his eyes on until the storm passed away.

Thank God for Jesus in our lives 😊" We can focus on Jesus' ability, grace and love and we will not fear but win.

**Then Jesus said,
"Be brave and
don't be afraid. I
am here!" "Come
and join me,"
Jesus replied. So
Peter stepped out
onto the water and
began to walk
toward Jesus.
Matthew 14:27, 29**

Greetings Mommy, Daddy of miracles. ✨

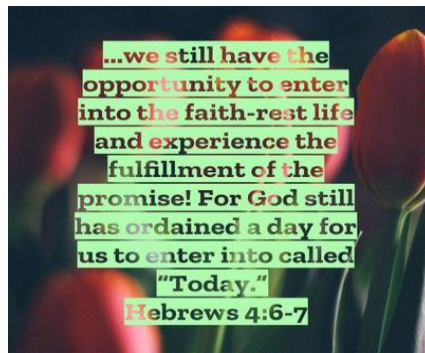

In this story Peter wanted to be like Jesus, walk in the supernatural. He had this wish and Jesus made it possible without any remark!!! He didn't say: do you want to show off? He shared His life, power, faith with the disciples and when they saw that He is God, they only focused on Him, and had no doubt that they are given power and share in the miraculous.

This is our portion, inheritance as sons. 🙌❤️ Christ believed in Peter that he can experience and live in miracles. So does He believe in us!! ✨ He believes in us just the same and knows that we can do all that He did, as He has enabled us. 🙌❤️ Whenever we stumble, He lifts us up by grace and we still grow and are redeemed from danger. In the end we worship Him on our knees despite any former stumbling. This is JESUS!

Earlier when I read this story I felt weak and feared: what if I sink like Peter? But God does not give us tests to check whether we can focus on Jesus and His Word instead of the physical. God gives us a chance and His grace and power.

🙌 I bless you to ask Jesus boldly and know that that answer is YES and Amen and it is finished. We have been given glory and as He is in us, we are walking inevitably in the miraculous. Hallelujah.

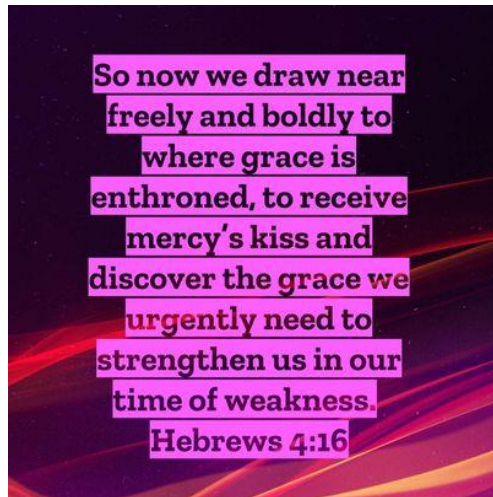

Greetings Mommy, Daddy implanted in faith-rest. 🌴

One morning my husband prayed inspired by Holy Spirit that the embryos get implanted into a place of rest, shalom peace, where they are protected, nurtured, and where they are developing. 🌻 🌸 🌺 🌼 Actually they have the right for it, as Jesus bought this place of rest for them.

Hebrews 4 explains excellently what "faith rest" means. It is compared to having reached the Promised Land of prosperity, the land of easy yoke.

🍌 🌻 ✨ It means that we know that whether we win depends on God, not on us, not on my self effort to believe. (Verse 10) 👍 We are there where grace is enthroned! 🏰 We already have been granted the babies out of mercy. We can rest as we know that our sword, ✂️ the Word is mighty, active. (Verse 12).

🙏 I bless you to know you are in the land of TODAY, where the blessings are present and abundant by grace. As you enjoy Jesus, they flow.

Greetings, joyous Mommy, Daddy of many healthy children. 🧒🧒🧒

Have you thought of how the world would be without children? 🤔 I heard someone say: imagine if people started life not as children but as a grown-up with work, bank account and a suitcase...

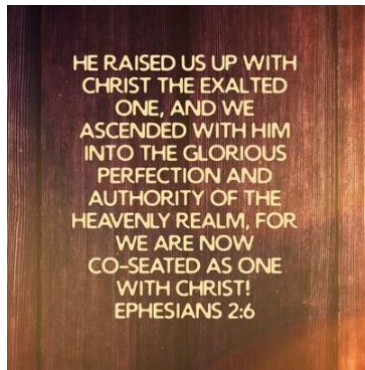

Oh, no! 😬 Life would not be fun then. Even Jesus Christ came as a baby, not at the age of 30!!!

When we are children we know how to daydream=hope, play (be joyful in the Lord), laugh from our hearts, hide in our parents' arms, believe that all is possible. We could not relate to faith, if we hadn't been kids! !!

This is why Jesus called us children and invited us to have child-like faith. 🌟💋

🙏 I bless you, Jesus, because we can be beloved, favoured children hidden in grace, in Your arms! You have a wonderful plan for our children, who are Your warriors.

🙏 I bless you, sister, to know how great plans God has for you and your babies and dare to be like children.

Greetings Mommy, daddy in the heavenly realm. 🙌

Lately I had such an amazing dream! I was flying like an angel with other beautiful, colourful people/creatures.

Do you sometimes fantasize about heaven or the rapture and how Enok was taken? 🤔 Sometimes when life's burdens were unbearable I longed for leaving all behind and being with Jesus in heaven.

Nowadays many people commit a suicide, may today's blessing be an encouragement to them as well, maybe for someone you know...

The Bible says we have been united with our heavenly family (Eph 1,10) and with Jesus and we are actually enthroned in heaven in Jesus. 🙌 He has heard our innermost desire for being with Him in heaven! Our rapture has been done in a sense. If we are so loved, we are sure to see such miracles and favour.

🙌 I bless you to enjoy your heavenly family, Jesus, the Father, Holy Spirit and the angels and your earthly family in spirit.

Greetings Mommy, Daddy of perfect love. 🌹

What great destiny! We can reach a place where we are so wrapped into God's love, grace ➡️ that fear flees from us.

I remember the testimony of a mommy, who is pregnant now despite long years of infertility... She was not afraid when her period came, but thankful, as earlier it had not come regularly!!! She considered menstrual bleeding to be God's gift, not a threat but some means for a blessing. As she was reading the Word, her body got healed. I often remind myself that menstrual bleeding, the cycle is created by God ➡️ to bring forth babies! 🌹

I bless the cycle to fulfill its perfect calling in your and my life. There is no need to fear, as Nerida Walker said: even if bleeding comes and the previous was not your month, it doesn't mean that this current is not the start of life.

Likewise Jesus warned His disciples not to fear death!!! Jesus is LIFE and Resurrection. 🙌🌀 He can resurrect the dead, His grace has made us strong where we used to be weak. He is bringing beauty from ashes, honey from the lion 🦁, food from danger, blessings in the place of lack.

🙏 I bless you to expect fearlessness and victory in every situation.

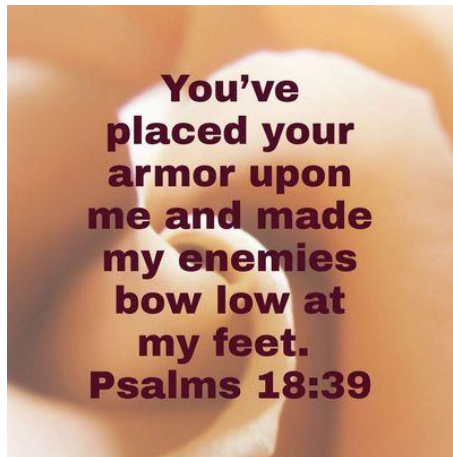

**These grace ministries
will function until we
all attain oneness into
the faith, until we all
experience the fullness
of what it means to
know the Son of God,
and finally we become
one into a perfect man
with the full dimensions
of spiritual maturity
and fully developed into
the abundance of
Christ.
Ephesians 4:13**

Greetings Mommy and Daddy of full spiritual maturity, developed into the ABUNDANCE OF CHRIST. 🌸

How amazing! Look at this verse. This is what the gospel is able to achieve and will achieve in us! Of course we are not there yet, but we can rest, give thanks knowing that by grace we can walk in greater and greater maturity. 🙌🌸 And we will eventually exercise faith and understand the power of grace to the same DEGREE as Jesus did. I believe God wants us to walk like Jesus right now and is speeding up the maturing process after showing us this verse. 🔥

Thank God for His amazing goodness and power working in us! We are not like a whining 🐭🐭 mouse, but amazing expressions and manifestations of Jesus Christ Himself. We are like fruitful branches in Jesus, flowers opening its petals, eagles 🦅 soaring above the earth.

🙏 I bless you to experience His fullness in your life and every day.

Greetings Mommy and Daddy of God's power. 🤝

Holy Spirit laid a prayer on my heart: 🙏 I bless you never to rely on your own strength but on His power, wisdom and abilities.

There are so many YouTube commercials. In one a man proves how difficult it is to reach our goals if we only rely on our salary as an employee. Sometimes I wonder in how many years I could reach anything given my visible income, freetime, connections, salary... 😓 But God never wanted anyone to depend only on these!!Hallelujah.

All heroes of faith received divine favour. 🔥 Samson got divine physical power to kill thousand times more enemies than a normal man. 🤝 Shalomo received so much wisdom that he could reign in peace and share godly wisdom like noone else. 🏰 Moses led out a whole nation from captivity through miracles. ✨ Gideon didn't have to fight with his hands to bring breakthroughs. 🌴 David killed a giant with a stone- with divine intervention and power. David's warriors were given supernatural power. 🤝 Joseph and the prophets got godly insight. 👁️ 🍇 Abraham got prosperity through the Egyptian king and favour. His aged body was no hindrance to God's gift of fertility.What could they have achieved without Him? To Him may be the glory.

🙏 I bless you to find all your sources in Him.

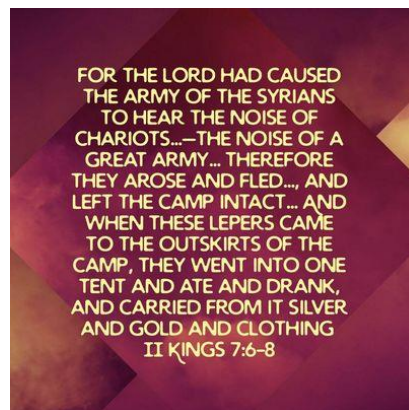

Greetings Mommy and Daddy of bold actions! 🔥

We often hear that healing, blessings, the conception of the barren in marriage are God's will. But when we hear bad news we may wonder: what good is it to know God's will if we don't see it happen? 🤔

God comforted me with this verse above. Whatever God wants, He achieves it. 🍇👫👧👦 He works through us, as we declare the Word and it doesn't return to Him void. Is 55,11. "The people who know their God shall be strong, and carry out great exploits." Daniel 11:32 NKJV

🙏 I bless you, us to find shelter, rest and confidence in knowing that God completes what He has promised, it is guaranteed, done. I bless you to allow Him to carry the responsibility. Let's just trust Him and keep knowing His faithfulness and mighty power working in us .

Greetings, Mommy and Daddy of victory 🏆.

I started to study all the victories through God in the Bible. This victory above happened after such misery and poverty when mothers ate their own children for hunger and the king wanted to behead Elisha and said that this hunger was sent by the Lord. 😱 What lack and desperate situation! We can't even imagine!

But Elisha heard God's voice and knew that this could not be God's will, ➡️ so it can't last but must end in victory!!!

🙏 I bless you, ourselves to know that when we declare God's will on earth, it is to happen. 🙏!!

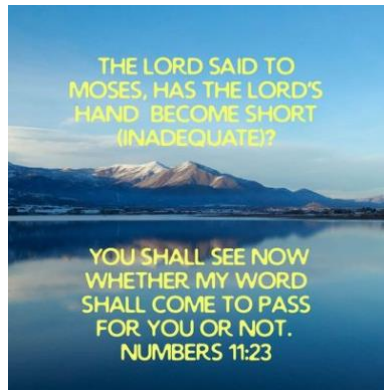

The king said it was impossible and God cannot make a window on heaven... But God gave a sign to prove His good will. 💥 He used the lepers, who had a stronger desire to live. They were no heroes of faith, they just got so fed up with waiting for death and wanted to surrender to the enemy.

We can relate, as we are so fed up with the lack of change, too. Our breakthrough is the Person, who broke a window on heaven is Jesus, in Him we are seated on the throne! 🏰 We are to see victory.

The lepers stepped out, moved for the change and got a miracle by the King of Grace.

🙏 I bless you, us to never give up, always 🧠 hear from God the good news and carry life and prosperity, freedom and good news. 🌻 Amen.

Please share if God speaks to you through this or another story of victory.

Greetings Mommy and Daddy of miraculous arms💪💪.

Holy Spirit told me this verse today: Have my arms become shortened? Have my eyes become blurry and has my love faded?

Jesus is the arm of God, His love in action, who helped Him to redeem men when no one could help. Is 59,16.

His arm created the world. Jer 27,5.

His strong arm led out the nation from Egypt Ex. 6,6.

The Hebrew word zeroa means arm, power, position, help. Wow. 😄 So when we see His might, when we realise our position in Christ, we enjoy the help of His hand.

When the king stretched out his hand towards Queen Esther, she got help and grace. Jesus is grace to us. Jesus is still enough, He is still able and adequate. 👍

This God is still God, who wants to prove that He is faithful, reliable and He is not like men, who only speak and act not. Hallelujah.

🙏 I bless you to rest in His arms.

Greetings God's beloved. 🌹

"How could I revoke my covenant of love that I promised David? For I have given him my word, my holy, irrevocable word. How could I lie to my loving servant David?" Psalms 89:34-35 TPT

So beautiful! God promised to bless David's son, Solomon and the Son, who Solomon symbolised: Jesus. 🙏 So David also had a covenant like ours or like the covenant that Abraham had with God!

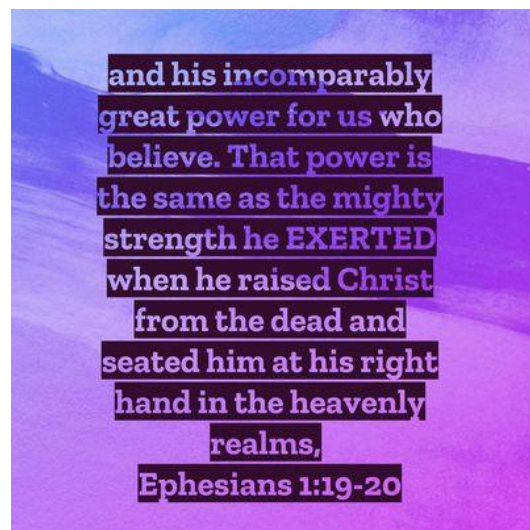

I had a dream. I saw an influential politician, whose decision made a big difference.🤔 We were trying to find online what his decision could be. And even during this online search they deducted money from us. We were misused and manipulated...

I felt that God wants to show me through this dream that He is not like humans.👍 He is so clear about His intentions. He has shared it with us in the Bible! 📖🔥👍 We don't need to be unsure! We don't need to fear that He may fail to bring it to pass. If politicians can enforce their will, God can surely do that through His willing sons, us. Thanks to Jesus' Finished Work.

What is the difference between God and people? ? People fail... But God does what He says... People change... God is faithful even if we are shaken. People lie but He cannot. We have the blessings then!!! 🙏

This is how Elijah proved that His God is real: by signs. 🔥 A real God takes action, hears us, sees us, works mightier than humans. His footsteps, signs of life are thousand times greater than human footsteps and signs of life/love!!!

🙏 I bless you to rest, trust in His God-ness.

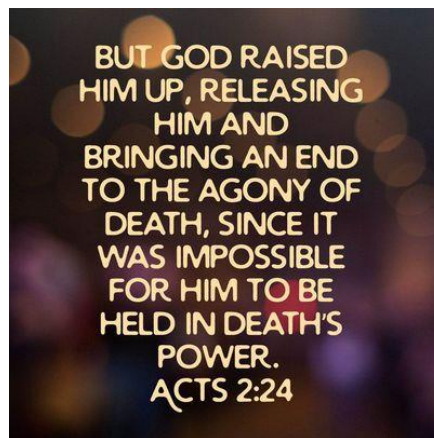

Greetings Mommy and Daddy, set on 🔥 fire.

I started to love Kenneth Hagin's teachings, which are full of testimonies and so much like Curry Blake's teachings. He said that he had read out the prayers in Eph 1 and 3 hundred times and then he felt its depth and strength. 💪🔥 What perseverance!

I wrote out the prayers and in Hungarian this verse says : God showed us what immeasurably great power is available, working in us by resurrecting Christ.

In English they translate the word "exert" in many ways. In Greek it is energéō. It means to display the activity (show the power), work, make to work, accomplish.

🙏 I bless you to know and recognise His power in/through you.

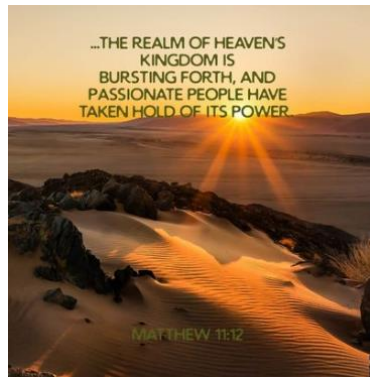

Greetings Mommy and Daddy of breakthrough. 💪

Holy Spirit told me this while praying for a sister: "satan wants you to think that you need to fight for the blessings, the healing. So that you MAY hope that you may be heard, that you may hope to hear good report. But that is the lie. Your blessings and healing are done, sure, provided.

Jesus' resurrection could not be opposed by death. Jesus is way stronger than any lie of the enemy. It is impossible for Jesus not to break through.

The same power that put death and all power of the devil to shame - is giving life to our bodies, our babies." Hallelujah.

🙏 I bless you to see the truth and power of your victory, who is Jesus. ❤️ 🔥

Greetings Mommy and Daddy of passion. 🔥

Before I started dating my husband I prayed a lot to ask the Lord about him.

In our culture it is rather the man who needs to take the first step to start the relationship. But in that situation it was impossible. I had turned him down earlier too often. 😬 God told me this verse. So I started an honest conversation with my future husband and we got together and I could be there for him in need.

Thank God, I got hold of my blessing and was not shy.

The other translation of the TTP says: the violent ones take hold of the realm of heaven's kingdom. 🙌

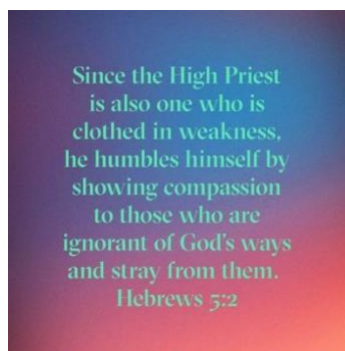

It also explains that "peretz" means: burst forth. 🌱 We break through like a miracle, like Perez broke through the birth canal and was born earlier than his twin, although the twin's arms came out first during birth. Gen 38,29.

Miraculous breakthrough 💥. This is the nature of Jesus, the nature of the Word, which contains your miracle. It cannot be stopped, but we need to take hold of its power. How? ❓ By honesty. By not thinking that we may have to

miss out on it. By seeking our beloved= Jesus. By talking to Him and enjoying our union with Him. By being passionate and insisting violently on grace, on our right for our miracle!!!

The breakthrough is done by heaven. We only need to hold it. Thank God. Just envision it, admire Jesus for it.

🙏 I bless you to envision Jesus' kingdom, authority in your life and hear His heartbeat, hold His hands.

Greetings Mommy and Daddy, shown compassion to. ❤️

Do you also sometimes feel self-pity, compassion towards yourself? ?

I don't want to advocate self-pity, but if we can pity ourselves, how much more our tender-hearted Saviour has compassion for us in our weakness!

Jesus went after the sinful, taught the ignorant, those who needed and desired Him. If you need Him, if your heart burns for Him 🔥🔥🔥, just rest assured that He is the High Priest for you, your life, your health, your family ❤️. 🧡🌱🌹

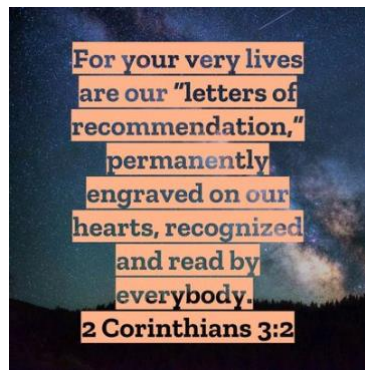

Greetings Mommy and Daddy, sealed with Holy Spirit. 📄

Now that I have two dogs, I see funny things they do. 🐶🐶 When Mangó, the female dog pees (urinates), Pamacs, the male dog, always pees next to her pee. As if he wanted to enforce, authorise her signature. Mangó says: this land is mine, I possess it. 🐶 Pamacs says: whatever you own, I own it, too. Wherever I go, I am going with you. 🐶🐶

Like Ruth and Naomi... Like Jesus and us: We are united, one body. 🔥 When we possess a promise, Holy Spirit is released, He enforces it, stamps it, gives Jesus' authority-stamp onto it.

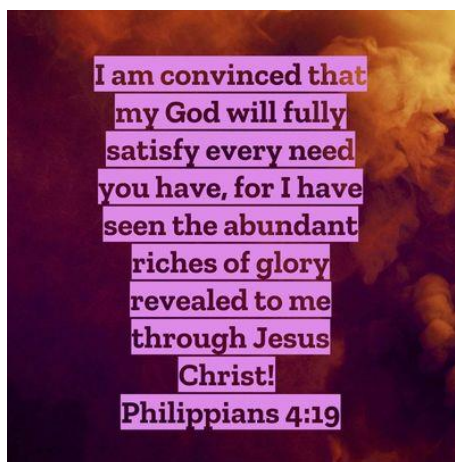

When we make love, the sperm is energised with Jesus' life-creating power. He is acting in and along us. Our healing, baby blessings is done. The contract, the covenant of blessings is signed with Jesus' blood, 📄 sealed with Holy Spirit's stamp. Our faith actions and faith-filled words are strengthened by His power. 🐶

🙏 I bless you to see yourself wrapped in love and power.

Greetings Mommy and Daddy of a notable life.

🙏 I bless your life and our life and declare that these are God's love letters to the world. 🌍 Whoever sees our lives, see that only Jesus is the Healer, the Redeemer, the Creator. 👉 They will not see Christians in doctor's waiting rooms and praise human knowledge, but they will see that Christ is enough for all and His kingdom is reigning and is here now. 🙌 Amen.

Greetings Mommy and Daddy, convinced by Jesus' love ❤️💖.

A while ago Emily Preston showed me how we can declare that we are convinced of Jesus' help, mighty power working through us, and how this can help us shake off the dust of doubts and how the Word brings real conviction, without futile fights against doubts. 🙌

Curry Blake also teaches how we are to be convinced that what we do in faith will make a difference. So we can settle the case. 🙌🙌

We need to know we are not boxing into the air but hit target! 1 Cor 9,26. The Word does not return void... Is 55,10. 📖

I believe we need to trust in the power of prayer, communing with God. During prayer we receive the blessings as we come to Him personally and He touches us. There is no hindrance, no sin between us and our Father. ➡️ So what could oppose the flow of His love-blessings? ??? He takes care of you, us according to the richness of His glory. 🌹

🙏 I bless you to see the abundant riches of His glory and be convinced. 📖
"And my God will meet all your needs according to the riches of his glory in Christ Jesus."

Philippians 4:19 NIV

Greetings Mommy and Daddy of Authority. 🍷

These days I was asking God: Why do you give children to people? ?

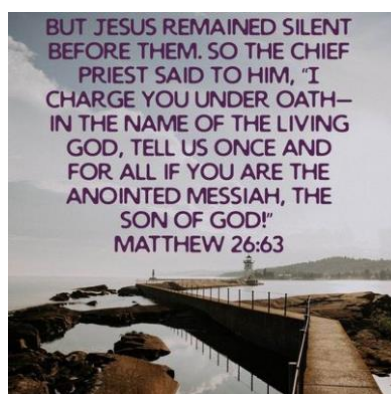

Of course He had told me earlier about the main reason: so that we can experience love, protection, the divine father-son relationship in depth... 🌹

But the answer I got now is just as amazing... Holy Spirit started to talk about Eden. God commanded the first couple to multiply, subdue the earth- already before the fall. So children were not given only to be a replacement after they died. Eden and their family meant "home" to them. I think there were no division between earth and heaven. God met them personally every day, but still He wanted them to have their own empire, own home, a kind of privacy or a kind of independence (meant in a good way), mature life. God didn't want them to live in His shadow, to be a second. He wanted them to be kings and first in their own garden. 🌱?

So we get children to enjoy a peace of Eden, heaven on earth. 💖 We raise them to be kings, as we were also raised to be kings. God showed me the generous heart of our Father for us to be above and never beneath, reign in life above circumstances, live in Jesus. 💖💖💖

We can see ourselves in His family, sitting on the throne in Jesus as equals, as brides. He gave us authority out of fatherly love. 💖💖💖?

🙏 I bless you to see every good thing as yours and your Father's amazing love.

Greetings Mommy and Daddy of answered prayers. ✨

Often we would like to know the future - when will I conceive? ❓ When will a person get healed... 😞 But these questions indicate insecurity and that we need to grow in understanding who Jesus is and who we are in Him.

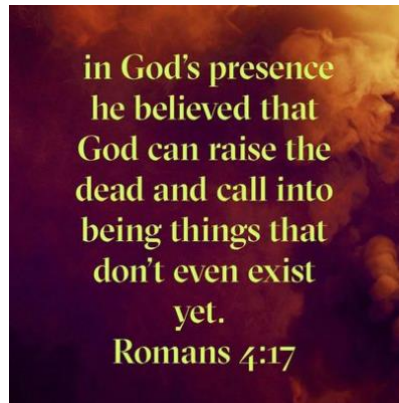

The chief priest also wanted to know who Jesus is. Why do you think that is so important? ❓ And: Why didn't Jesus give a clear answer to that?

Jesus is the Son of God. God came down to us on earth 🌍 in order to bridge all possible obstacles- sins, human nature... 🌱 Then He is life to our body and the time of conception cannot be postponed!!! We are His beloved children, we were healed. He is the provider, so all our needs have been satisfied. 🌹🙌!!

Jesus never advertised who He is. Matthew 16,20. Why? Because this truth only has an effect on us, if we got the revelation from God Himself, if we know it in our hearts.

Because God came in a human body, our bodies can be indwelt by divine power, and He has got rid of all obstacles between God and the believers.

🙌 I bless you to see the greatness of Jesus and experience Jesus Christ as a gift to you and to your life.

Greetings Mommy and Daddy of easy victory. 💪👍🌹

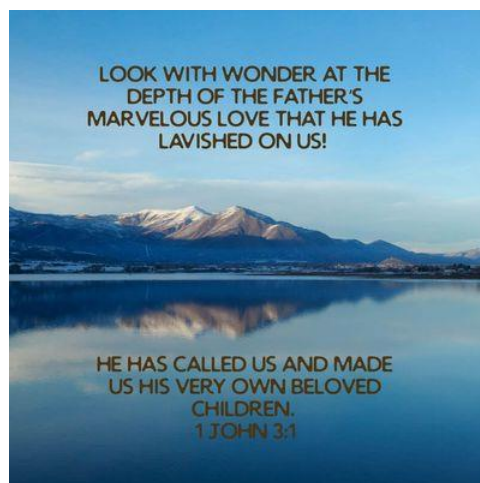

I keep declaring that it is easy for me to conceive, see healings, breakthroughs.

🙏 If it was hard, it would mean that we are to work for it. But the work is finished by Jesus!

Curry Blake explains in his 3 minute teaching video how easily Jesus rose Jairus' daughter. As if she had been just sleeping, He woke her up. Likewise with the same ease we can call forth our children in the irresistible, mighty name of Jesus.

🙏 I bless you to rest in knowing that your Father's love backs up your love-triggered words with authority and has given you resurrection life.

<https://youtu.be/zbMo2HAPXqQ>

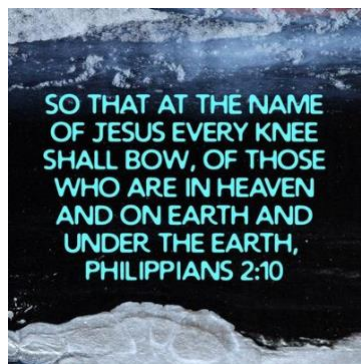

Greetings Mommy and Daddy, sitting in Jesus as king on the throne. 👑

I really enjoy prayer during fasting. I was praying for our babies 🙌🙌🙌 and I was thinking about what Word I could cling on to, to strengthen my faith. 🙏 But after months of declaring and praying amazing Words given by our Mighty Jesus, I could not find anything new to declare. I didn't feel like repeating myself...

And then there was just one truth that really made me believe that I can have my breakthrough: I am His son, His child. Because then my breakthrough is not dependent on my knowledge, my vision of Him, my ability to believe... Imperfect children also inherit wealth.

I was granted an amazing relationship, in which my Father is almighty, unconditionally loving. 🌹❤️ I am unarguably entitled to possess all privileges of a son, a king and it brings us the fulfillment unstoppably.

🙌 I bless you to forget all the past at the sight of your true victory: your Heavenly Father, Jesus and Holy Spirit.

Greetings Mommy and Daddy gifted with the Name: Jesus Christ ❤️🔥.

Curry Blake has an amazing video on this topic. He proves that there are two things that makes us victorious:

1. Knowing the power behind Jesus' name.
2. Knowing why we can use it. 🗡️

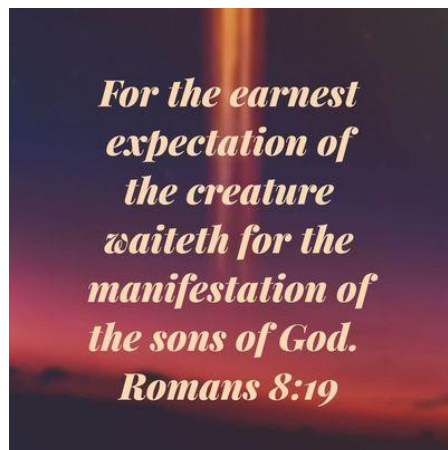

He adds a powerful testimony of a brother who had died in a car accident and went to heaven. While he was speaking to Jesus, suddenly Jesus stopped and said: you have to go back to the earth!! This brother asked sadly: why must I? Jesus said: because she is using THAT NAME. 🙏

This brother's sister was commanding her brother to come back to life again in Jesus' name and whenever she used His name, all stopped in heaven.

With this testimony in life I command your and our children and all your/ our heavenly blessings to come into the visible now in Jesus' mighty name. Glory to Him.

<https://youtube.com/watch?v=wa5iZ9biMgk&feature=share>

Greetings Mommy and Daddy, a blessing to the whole world 🌍❤️.

"The entire universe is standing on tiptoe, yearning to see the unveiling of God's glorious sons and daughters!"

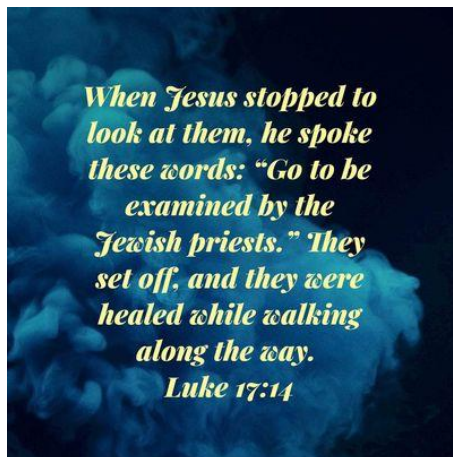

Romans 8:19 TPT.

Holy Spirit revealed to me that our babies' conception is not only about our joy, but a blessing to the whole world. Our babies, their life and conception are witnesses, love letters to the world about the goodness and amazing grace of Jesus: God among us, miracles in and to people, God's power manifest in fragile vessels.

When these babies come and the world hears the good news of Jesus, it will be just like when Jesus came to the earth now again to us all.

This word, which is sometimes translated with "manifestation" or "unveiling" is apocalypse. The same word is used for the title of the book of Revelations, which is about the coming of Jesus. So when our healing, baby blessings come, it is to Jesus' greatest joy and glory and a worldwide blessing!!! Thank God.

🙏 I bless you to see how important you are to our Heavenly Father and how mightily important your health, welfare and children are to the world. 🌍

Greetings Mommy and Daddy, blessed in Jesus (who is the WAY 🦶 to us, and was the way for the lepers). 🌍

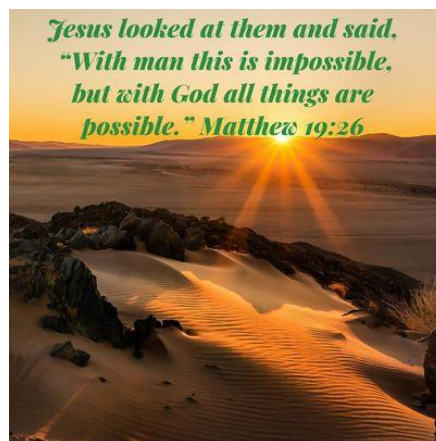

The lepers were told to take a step of faith. At the minute when Jesus spoke, they were not healed in the natural. But as they were obeying Jesus in faith,

👣 their healing became visible. One of them considered knowing and thanking Jesus even more valuable than his freedom from the curse and went back to thank Him. ❤️👣

We often hear that healing ministers advise the sick to do something that they could not do in their own strength - to allow their faith to break through.

But what could it mean in the case of infertility or some other diseases ? Holy Spirit quickened this word to me: "GO... (to the priests)"!!! Sister, we were also told to GO to the whole world and preach the gospel to all creatures, teach and heal... 🤝👣❤️👣

🤝 I bless you and ourselves to dare to take a step of faith with our husbands or friends and command mighty miracles to manifest to the glory of Jesus. Amen. Go, sister, as you are led and experience your own miracles on the way.

Greetings Mommy and Daddy, reigning in all things. 🙌

It really ministered to me when I heard Curry Blake saying in his teaching: are only some things possible for those who believe ? No, all things are possible for those who believe!!! We have to settle that in our hearts and expect victory in all things. 🤝 Hallelujah.

🙏 I bless you and ourselves not to allow any imaginary limits to stop our blessings. We have a great, astonishing, limitless, generous God who takes pleasure in exceeding all human boundaries, acting according to heaven's conditions, fulfilling all precious promises, setting us free from aaaaall captivity, mediocrity, earth-bound conditions. He is fire 🔥 in our bones, health to our flesh, the flame of our innermost desire...

Greetings Mommy and Daddy, destined to fulfill her/his godly calling. 🙌🌍👤❤️🔥🌹

"So we are convinced that every detail of our lives is continually woven together for good, for we are his lovers who have been called to fulfill his designed purpose." Romans 8:28 TPT

🙏 I bless you to know how deeply loved you are and how great the divine power is that you were given.

I bless you to see every difficulty as a chance for God to save you and show His grace in a mighty measure. 💪🌱

I bless you to see God and His decree, His glorious plan for you as sacred, VERY SURE TO SUCCEED, AS SURE AS JESUS IS ALIVE, and as He is greater than the opposition of the beaten enemy. ✨

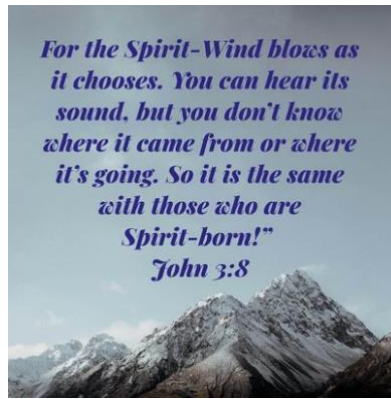

Greetings, Mommy and Daddy of strength.

I thank Jesus for bearing nakedness (I mean total nakedness 🙌), weakness for us on the cross, so that we don't have to be naked and weak before human doctors, but our bodies and especially female/male organs are sanctified to God only and healthy. ❤️🔥🙌

We are yearning to put on our heavenly clothes 👗👑. This heavenly body will be strong, youthful and perfect. The guarantee of receiving our heavenly bodies is Holy Spirit.

Although the fullness of the redemption of our bodies comes in heaven, Holy Spirit is enabling us even today to do things that we could not do in our own strength. Just think of the man with the withered arm. He was told by Jesus to stretch out his arm, and he was enabled to do that through Holy Spirit. 🙌

🙌 I bless you to know that you can and are to walk in the full strength of the Spirit.

Greetings Mommy and Daddy, born from above. 🌱 You are Spirit -born. ❤️🔥

How mysterious and amazing are our nature, abilities in Jesus, us hearing the voice of our Father! 🗣️

Our Father is totally reliable, predictable regarding His will and power and help, because He speaks to us and revealed us openly His will: healing, abundance, blessings, love, favour, respect, healthy babies. 💖 Thank God for Jesus.

Holy Spirit pointed me to this chapter when I asked Him to teach me about healing. Through this verse He showed me that we can depend on God for healing, we can learn to cooperate with His flow of miracles, the expression of His self, His living Word and the expression of His love.

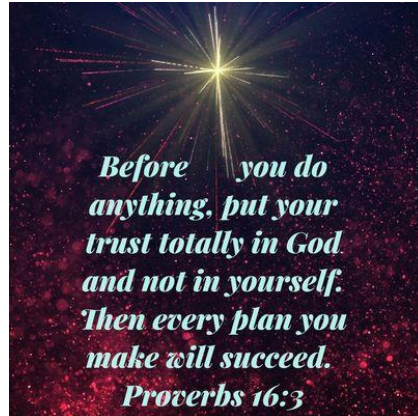

📖 "God kept releasing a flow of extraordinary miracles through the hands of Paul."

Acts 19:11 TPT

I really loved how Kenneth Hagin explained that it wasn't Paul who "worked" the miracle, but God. 🙌🙌🙌 So we cannot say: "But this was only working in the case of Paul". No! Healing depends on the supernatural, on God, not us.

Of course we also have a role to play: we are to be determined, persevere, get in touch with God. But Christ is taking action through us!!! That gives me hope.

🙏 I bless you and ourselves to have an amazing, clear revelation of the truth that everything is possible to those who believe. That God is willing to use us and save us from all destruction and that He has great compassion for all our needs. Amen.

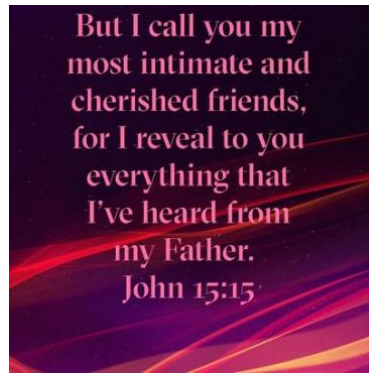

Greetings Mommy and Daddy of Good-sized successes 💖 .

The Bible says we can succeed in EVERYTHING, because we were given everything=Jesus. 💖

🔥 Our God is love, perfection, favour, strength, victory. In Him we can do everything. Without Him, we would lack victory, love. 😞

🙏 I bless you to never even think of doing anything in your own strength and to stay addicted to heaven, filled with His power.

I thank God that we are His family and that we are blessed above all nations because of Jesus in us. Read these amazing Words that prove that the victory depends on God. <https://bible.knowing-jesus.com/topics/Victory,-As-An-Act-Of-God>

Greetings Mommy and Daddy, an intimate friend of Jesus. 🌹

The Greek and Aramaic words mean: those cared for from the womb. I thank God for Him caring for all details of our lives, including those that are deep in our wombs. 🧒

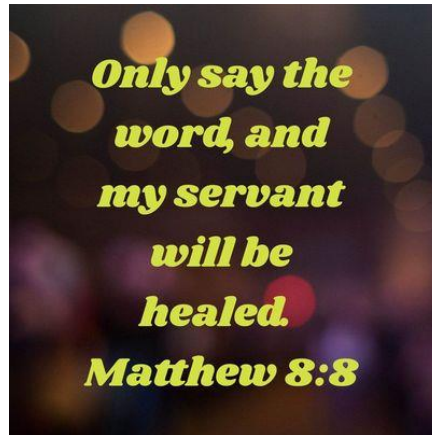

God came close to Abraham and Sarah and became their friend. Holy Spirit revealed to me an amazing grace truth: They received His sure Word of Issac's exact birth date even before Sarah got fully persuaded! ❤️🔥 Sarah even laughed when God was already sure. There they were, personally speaking to God, getting answers to their questions.

When they saw how Sodom and Gomorrah were consumed in fire 🔥 and how Lot got saved, it was not so hard to get fully persuaded about the baby blessing. Wonders multiplied! Hallelujah. God is our help to believe.

I bless God that we can talk to our Father like friends about our needs, lacks! This only works!

When Kenneth Hagin's wife was dying, Kenneth said to God something almost profane: "please, let her live. I cannot remarry now as an old man, and even if I could, it would be hard to train a new wife." Thank God, the wife got saved miraculously.

🙏 I bless you to talk to God intimately and enjoy grace.

Greetings Mommy and Daddy of a strong Word. 📖

I really enjoyed, how Curry Blake explained that after prayer, faith declaration we need to settle in our mind that this prayer now has caused the change we need. 💥!!!

If we can trust great healing ministers that their prayer makes a difference, how much more we can trust Jesus, who is interceding for us sitting on the throne of grace. 🍰

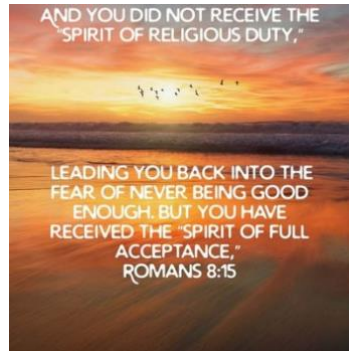

We don't need to wait for a new a prayer again and again or all the healing ministers to lay their hands on us. One Bible Word that is resonating in our heart 💖 is enough.

Just like the centurion said: "only say the word". What is your Word, sister? ❓

🙏 I bless you to see yourself united with Jesus

as you declare the life-creating Word 📖

trusting His victorious love. 💖

Greetings Mommy and Daddy, son of the Living God. 💖

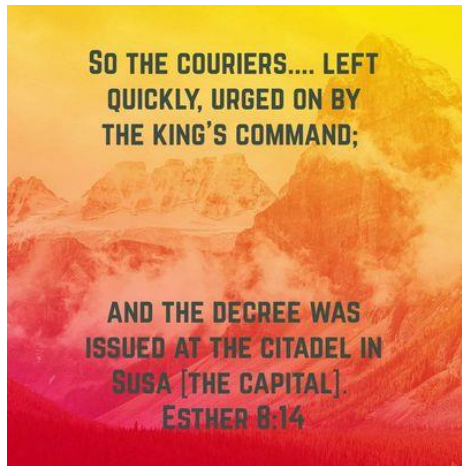

I declare that I am dumping, throwing into the garbage the idea that blessings, healing depend on me or you. I uproot the spirit of servitude from our hearts and ask Holy Spirit to help us get us rooted into the spirit of sonship. 💥

We are beloved sons in Jesus. We have inherited all blessings due to our sonship. 🍷 We command the babies, total welfare, victory, godly wealth and family to come into the visible world in His name, not ours. We enforce our right bought at the precious blood of Jesus.

I really love how Curry Blake explained in his teaching (titled: God keeps His promises) that God is not looking for things we do wrong, but things we do well.

📖 "For you have not received a spirit of slavery leading again to fear..., but you have received the Spirit of adoption as sons..."

Romans 8:15 AMP

Greetings Mommy and Daddy of a fast victory. 🏆

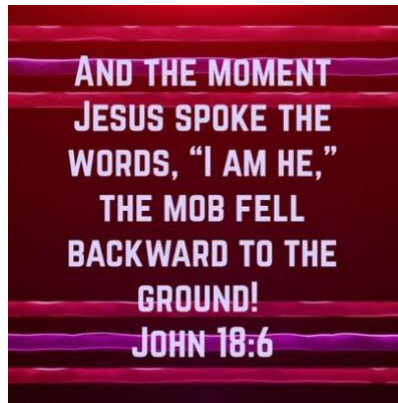

I really liked how Curry Blake explained the importance of fast miracles. If a war is prolonged, thousands of people die.

If you experience your breakthrough now, your testimony blesses thousands of others now, you and others get fired up ❤️🔥 and the gospel is spread like wildfire. Speed can decide life or death.

When you pray for the sick and they recover fast, they impact thousands of others now and later. ❤️🔥❤️🔥❤️🔥🙏

In the Bible the couriers of good news had to be fast, too, so that thousands of lives could be saved from oppression and death.

🙏 I bless you to see the importance of your quick victory for the whole world and Jesus.

Greetings joyous Mommy and Daddy of many healthy children 🧑🏽 .

I was watching the video sent by mom Mandi and Holy Spirit really spoke to me. God commanded us to be fruitful and multiply and His powerful Word has enabled us to do that.

💪 Who could withstand His mighty strength ?

He created our innermost being and we were fearfully and wonderfully created. So we and our husbands are perfect and dependant only on Him.

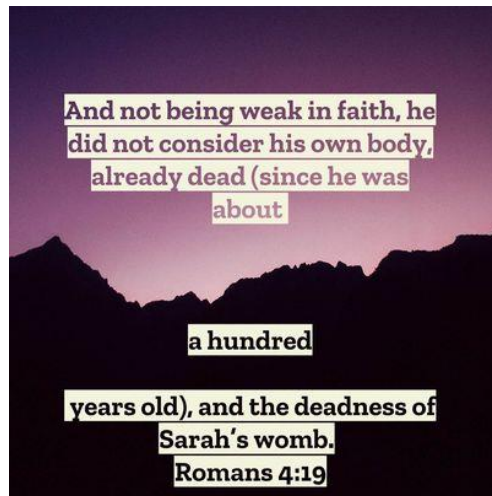

God created the institution of family, so we are to experience it.

Our children were made in God's image. How is God ? He lives. He IS. HE EXISTS, THEREFORE OUR CHILDREN ARE. THEY ARE ALIVE. Amen.

Doctors may have told you, us , we have 30% chances to conceive. But God says it is 🏆 % done. God's Word is true.

🙏🔥 I bless you to experience His life in the womb and I declare that doubts must flee, fall on the ground and leave our lives. Amen.

Greetings Mommy and Daddy of heavenly life. 🌻

Even Kenneth Hagin, who was more times visited by Jesus Christ, had cases when he wasn't instantly healed. What did he do then? Like Abraham, he learned through the verse above not to consider his own body, but the invisible, loving God's promise. And Kenneth got healed from recurring pain 🏹 when he understood that he was healed before he felt any change.

This is faith: the assurance, substance of things hoped for. Faith brings the promise into the "now". When we praise Jesus, even when it hurts, when we see no results yet, the devil has no more ground to cause harm. The devil's defeat is too big then, as we exhibit pure faith, incorruptible joy by seeing the invisible. He will not want to attack again then, as he knows: we keep rejoicing in Jesus even when we see no victory yet.

🙏 I bless you to know that the victory is yours even when things look dark.

Greetings Mommy and Daddy of wonders. ✨

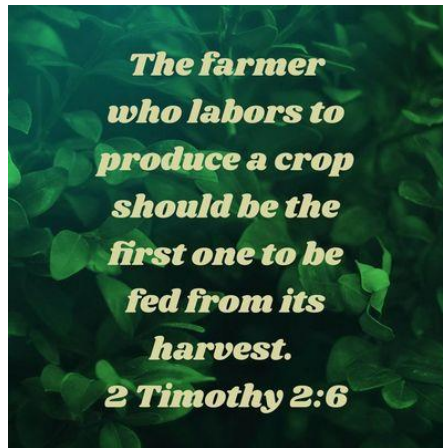

God speaks of blessings and healing in the past tense!!! We were healed in Jesus' stripes. We were made, like Abraham, parents even before the positive pregnancy stick. Hallelujah, glory to His name!

So I felt so encouraged when mom Mandi said she doesn't want prayer for conception, but only for the life, destiny of her children. Conception is finished, sure by all means.

So we can declare that the children are alive and are signs and wonders.

🙏 I bless you to dare to declare and believe with the psalmist that your children were made wonderfully and fearfully. Your children are being transformed into His likeness, who is strong, perfect and alive.

🙏 I bless your children and declare that they go to the whole world and put their hands on the sick and they recover.

Greetings Mommy and Daddy of a great harvest. 🌱🌸

We were not only sent to spread the good news but also to experience healings, blessings, healing. 🌽 That is the good news! 🙌

Being sons who don't only work, but eat and celebrate with the Father and enjoy His miraculous goodness.

My heart's desire is to see more of His goodness in my conception, surroundings, ministry. Like Moses asked God for an astounding sign that confirmed His ministry in Numbers 16,28.29 when Korah rebelled against him, we were also granted signs following our preaching. ✨

I ask Him for my conception to be now through grace and not through ivf, so that all my life can be a proof of His goodness. 🙌

So now that I sadly submitted the necessary medical results needed for that ivf process, I encourage myself not to see my situation in the natural. I am favoured, a mother of many, given the miracles, special to Jesus. God knows I will walk in His strength, I don't need to be taken to be treated by humans.

Like the lame man who was saved in Luke 5,24, I walk by faith. He didn't have to be carried by others anymore. And I don't need to depend on my mom (who wants to finance the ivf treatment) and doctors.

Our Healer is Jehovah Rapha, who is life and divine seed to our human bodies. As I keep sowing the seed of the Word and believe in my readers' breakthrough, I also conceive very soon as a good farmer by grace.

 I bless you to expect and see abundant harvest.
