

BOOK OF BLESSINGS

VOLUME 2

Written by Marianna Koncz

In March and April 2023

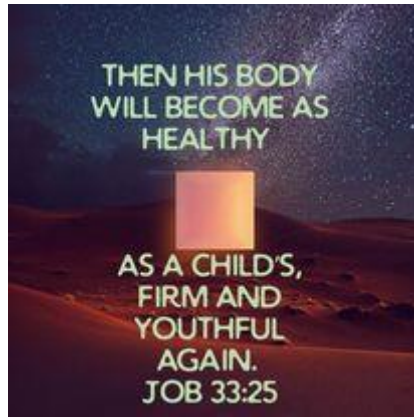

Greetings Mommy and Daddy of distinguished children. 🌸📖🌸

How great it is that the God of grace gives favour, grace to our spouses, even if they are yet unbelievers. Of course they need to get born again to get into heaven after death, but we can claim healing, blessings for them already now.

And our children are "hagios"= holy, set apart for God, different, distinguished, exclusively God's!! Have you noticed it (if you have a child)?

This helps me believe that they have the RIGHT for blessings, favour and an abundant life every day of their life. And their life includes their conception!!! ✨

🙏 I bless you to claim blessings for your family and see them prosper and flourish.

Greetings Mommy and Daddy of youthful strength. 🙏

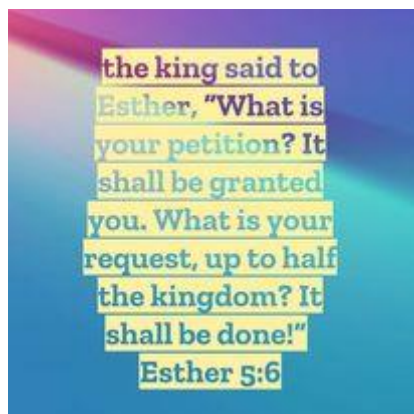

God declared in Gen 6,5 that we can live to be 120 years old. He never planned a weakly life for us. Moses was 120 and when he died , his strength wasn't gone and his eyesight was strong. What grace, what great God we have!

This is His plan for us: "They will still bear fruit in old age, they will stay fresh and green" 🌿 🌿 Psalms 92:14 NIV

As we declare these verses, our organs are being filled with youthful strength, fruitfulness and fertility.

Jesus is the ransom that was paid for our strength, for the perfection of our eye sight, hormones, fertility and all organs.

🙏 I bless you not to hear what the world lies about your physical abilities but only believe how much life is in you in Jesus. You are as healthy as a child. 😊

Greetings precious, favoured Mommy and Daddy. 🌸👑

Holy Spirit spoke to me using this amazing verse. ❤️👉 There is such passion, desire, love, willingness to please in the king's voice.

I pray that you and we understand our Father's desire for us to enjoy His miraculous redemption, mighty power working in us. 🌸

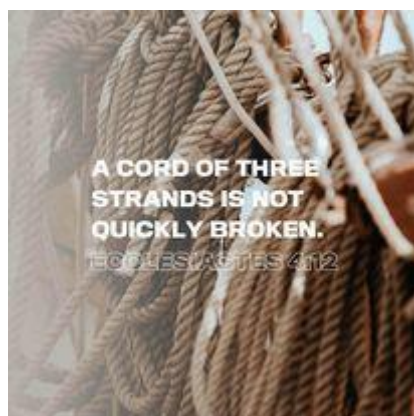

He is so willing that He had already given us all power on earth in Jesus and all heavenly, perfect blessings.

Queen Esther's desire is burning in our hearts when we see hurt, lack... "For how can I endure to see the evil that will come to my people? Or how can I endure to see the destruction of my countrymen?" Esther 8:6 NKJV

I pray we let Holy Spirit help us believe that we were granted power to rule and can set the captives free, we can seize the evil.

📖 Ps 45 also speaks about Jesus as our king and we are the perfected, beautiful, desired queen, the church. Hallelujah, glory to Jesus for His passionate, mighty love that enables us to reign in Jesus.

🙏🙏 I bless you to know that your request SHALL BE DONE (in the natural) just as it IS DONE in the spirit realm.

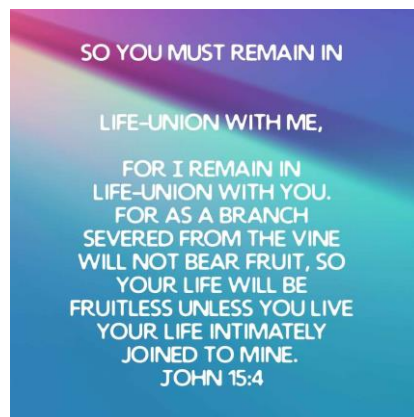

Greetings Mommy and Daddy of the golden strand. 🌸

"Though one may be overpowered by another, two can withstand him. And a threefold cord is not quickly broken." Ecclesiastes 4:12 NKJV

How great that we can be there for each other! Sisters, brothers, spouses...

My friend, mom Esther encouraged me with this verse saying that my marriage is like a cord of three strands, which is strong, always victorious, as Jesus is the third strand. 🙏 I believe Jesus is making this happen to all of us, believing couples and also where one must yet be born again.

🙏 I bless you to call Jesus for help in every battle, in every small and big things that seemed unchangeable. Holy Spirit will remind you that Jesus can make a change. With Jesus we win every battle.

Greetings Mommy and Daddy of LIFE. 🌸

Holy Spirit reminded me of my dream and gave me a new explanation. In the dream I saw my son bathing 🚿 and enjoying the flow 🌊 of water coming through the pipe. Hubby and I were holding the pipe for him.

Earlier I had understood that it means that our son will enjoy the Word and Holy Spirit. ❤️ 🙏

But it also means something in the natural. Because we are in union with Christ, we are full of life 🌸 🌊, we function as perfectly as Jesus. The bath symbolises my womb, Holy Spirit is flowing as life strength into the womb. Holy Spirit is enough for you and me to conceive.

🙏 I declare that the bathtub (female organs) and the pipe (male organs) were perfected by Holy Spirit (the flowing water). 🌊

🙏 I bless you to rejoice and see how perfectly you are united with Christ. His Spirit is mighty and is giving life and perfection to all cells and processes. No human frailty can stop the love of your God.
❤️🙏 Amen.

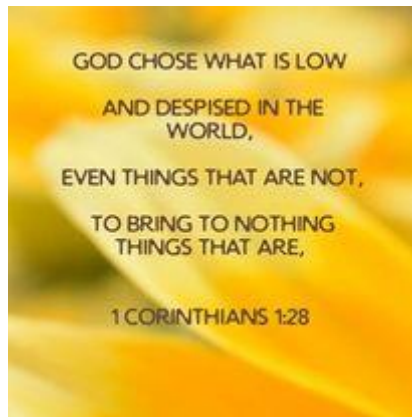

Greetings Mommy and Daddy of a peaceful country. 🌸

What grace it is! According to the Word mighty things can follow our prayers! People in authority can turn to God, receive divine wisdom.

God doesn't want us to endure many sufferings to develop patience. He wants us free and enjoying shalom peace: a free and happy family, health, more than enough finances.

🙏 I declare in agreement with you peace and godly wisdom, the spread of the gospel in Europe, in the Ukraine, the US, your country and in Israel. I bless you to live in shalom with your countrymen. Your children will grow up in a peaceful environment, free to preach the gospel.

Greetings Mommy and Daddy of powerful Words. ❤️🙏👶🌸

(Earlier I got some negative medical report.) When mom Esther prayed for the healthy functioning of my thyroid, she said: "Thyroid, I have good news for you. You have been redeemed from all sickness, you are healthy and you work properly." 🙏

It really touched me and thank God recently I even got a good medical report of my thyroid. How simple and wonderful is God's way of healing!

He spoke and things came into existence at creation 🌍 and in Sarah's womb.

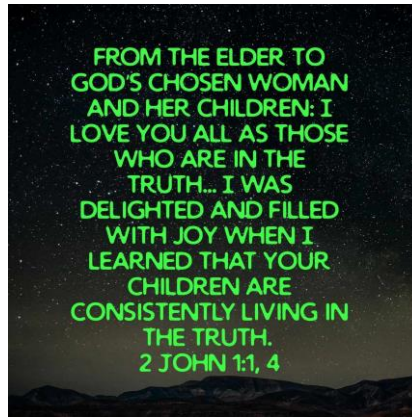

👤 Jesus spoke to the storm 🌪, the fig tree 🌳 and called the dead Lazarus to come out of the tomb.

In this amazing verse above you can see that God chose to bless those that don't exist (things that are not)! ➡️ He choose our unborn babies to use them as His blessed vessels.

If your babies have names, you can call them into existence with Holy Spirit. All that have a name obey the name of Jesus.

I found an amazing collection of Words about Bible cases that show how God creates through Words all through the Bible. 📖 https://www.openbible.info/topics/speaking_things_into_existence

👶 Mommy, Daddy, womb, body, I have good news for you. You are full of health, full of healthy babies, in Jesus' name.

Greetings Mommy and Daddy of gem 💎 stones.

As mom Esther, my friend formulated, our children are needed in the dark world to shine like stars.

Like jewellers put gems in front of a dark background to emphasize their beauty, we and our children are needed to shine even greater in the dark. ✨ ✨

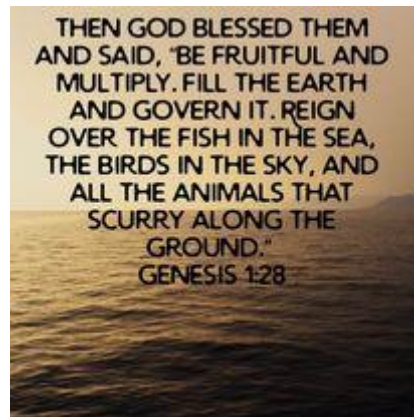

As mom Mandi said: our children are gifts not only to us but for the church and the whole world. They are Christ's warriors.

The Bible compares Christian life to family relationships. The congregation members are called sisters and brothers. Getting born again is like when a baby is born.

As you can see in this verse above, Holy Spirit is delighted when children walk in the truth and love each other. This love is a visible example for the world of how the Father and the Son loves us. We glorify Him with our love towards the family. We reflect His mighty love. Hallelujah.

✍️ This letter of John was written to a mother, but many commentators argue that in fact it was written to a church led by a female pastor. I think both can be true, as I know how much God loves using words and prophecies with multiple meanings. I know our family, our children are like a church, part of the universal church, part of Jesus. They are important to Jesus.

🙏 I bless you and your children to walk in love and the truth- that you are loved by your Father and enabled to do all godly work in love.

Greetings fruitful Mommy and Daddy! 🌸🍓🍌

How beautiful is our Father's very first blessing! ✨ He made us kings, rulers and fruitful.

Just speak it out: 🗣️ I am blessed, fruitful like the best fruit tree! I govern everything on earth in Jesus! Wow!

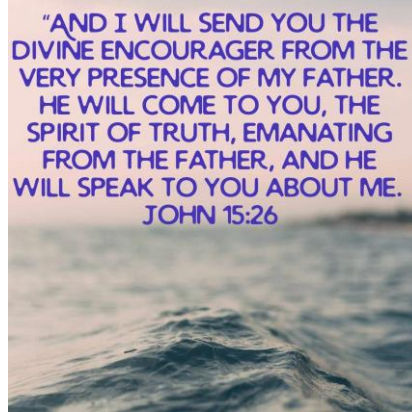

An acquaintance did something crazy out of boredom. He contacted some gay people online and recorded their conversation about how he could be made into half-woman, half-man. 🙄

Holy Spirit told me that these ideas were spoken by demons. 😈😈 The devil's purpose is to negate, ruin the beauty of creation and our birth right: fruitfulness.

Thank God, we are a new creations in Christ. We know it, so we can possess it. We are perfect and restored and fruitful through Christ.

We are as fruitful and whole as only Jesus could make us. 🙌 He was and is our Creator today. 🌿 Amen.

🙌 I bless you to know how rich you are and how (easily) you can multiply in number, family, ministry, work.

Greetings Mommy and Daddy backed up by the Mighty Helper. ✨

Every month I got divine hope from God to believe the truth about the conception of my babies. 🙏 At the same time I felt sometimes insecure. 🙏 Now I want to face this and ask Holy Spirit for help. Without You, Holy Spirit, I can't make it, but with You I can manage all. 🙏🙏🙏🙏

Mommy, Daddy what helps you believe ?

What helps me is the thought that disease and infertility are curses, awful, tormenting punishment. 🙏

Of course my Dad doesn't want me to live under the curse!

It also makes it easier for me to believe that I don't need to focus my faith on the future event, but what Jesus did for us on the cross. 🙏 That is done, finished, past. Sure. I am sure He died so that I can be healed and enabled! When I look at this safe, mighty, gigantic love, it is easier to believe that it reaches its goal in my tiny body.

The divine Encourager, Helper is Parakletos=the Comforter, Redeemer from the curse.

🙏 I bless you to know that He is enough for you to experience your breakthrough. I bless you to drink deep from His comfort and redemption.

Valuable comment by Mom CheraDee:

What helps me most is knowing infertility has been put on the cross of Jesus, stripped off power to affect me. I can rest knowing this. 🙏

Greetings blessed Mommy and Daddy. 🙏

I was analyzing this verse word by word. Holy Spirit talked to me amazing things.

👁️ BEHOLD- it means "see". Our heritage, the babies, the healing, the favour are to be seen, tangible blessings. They are to happen. 🏰 The LORD is a king, who reigns, whose will is put across.

💎 HERITAGE- we enjoy it thanks to Jesus' death, out of grace, as sons.

👨👩 CHILDREN are beloved people, who are protected by angels and God. Likewise, where I am weak, He is strong and He strengthens me.

🌸 The WOMB and the reproductive organs are like a flower, a complex system, but it is by no means hard for Him to master these, as He upholds the whole universe with His mighty Word.

🍎 The FRUIT is the joy on a tree. The fruit of the tree is like a gift for the person who eats it. The child is also a gift to the world, they are joy, love.

The married couple learns to love not only each other, but to love others selflessly, be there for the child in all needs.

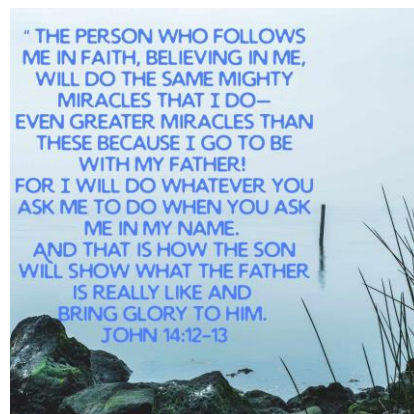

🔍REWARD means blessings, it is the opposite of punishment. Favour and grace are the nature of Jesus. How does this verse speak to you, dear sister, brother?

🙏I bless you to live each Word of this verse, as it is full of life and power.

Valuable comment from mom Mariah:

The original Hebrew says children are our inheritance... You get an inheritance when someone dies. Jesus died for me, so now I already have this inheritance added to my life, since when I received Jesus as my Lord and Saviour.

Another translation says gift 📺...so if I truly believe children are a gift from my ABBA Father, then I can confidently remove myself and my husband out of the equation. I mean it is not what I do or don't that matters. I just have to receive my baby girl and not strive to make it happen, as Jesus through His death and resurrection has made it happen for me. I can now rest in thanksgiving and boldly call my children forth as this is my inheritance. 😊😊

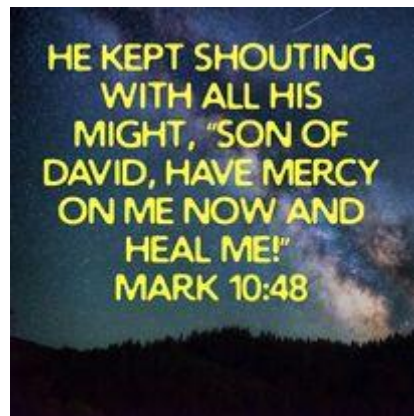

Greetings Mommy and Daddy with the highest name. 🙏🙏🙏

Last time when mom Esther was interceding for me, I was just allowing Holy Spirit to convince me of all truths about Jesus.

I understood that I can rest assured that my request is done, because we prayed in Jesus' name, referring to Jesus' authority, His goodness not mine, His character, His grace, His Words.

I could let go of the burden and the responsibility. He is working, I am resting and standing strong in Him. Amen.

🙏 I bless you to let Jesus work and let Him do everything you asked him. I bless you to persevere no matter what you feel or see.

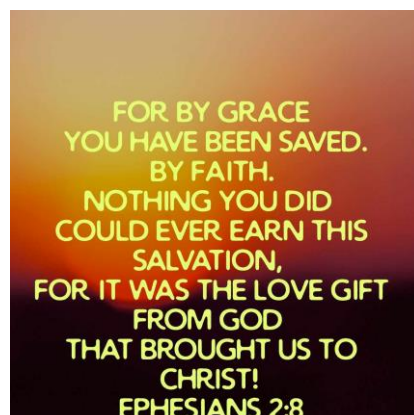

Greetings Mommy and Daddy strong in grace. 🌸🌸💎

So many people told Jesus that they were not worthy but still wanted healing. 🙏🙏 They asked Him for forgiveness... The pagan woman agreed that she was like a puppy begging for healing under the table.

But still, these people allowed God's grace and goodness to shine mightier than their unworthiness 🙏

Now, we are sons, kings, washed clean by the blood of Jesus! Our situation is much better. ➡️ We have a lot more reasons to get healed. It is actually guaranteed.

🙏 I bless you to only focus on God's goodness and grace and not yourself, your ability to believe. It is already done, finished, the work is done, the blessing is yours. 🙏 I bless you to turn back all doubts that are pointing fingers at you, or to your past. Glory to God, we got mercy and help.

Greetings Mommy and Daddy of favour.

For weeks I have been dreaming of being on Australia 🇦🇺. This time I asked God, what it may mean... I was reminded of how I had traveled there in my twenties as a 🎁 gift... It took God's favour to get a scholarship for the international dramatists' course for 10 days. I was the only one from the whole world 🌍 to get free accommodation, a free trip and free catering. Even if my drama was not at all perfect, God's favour gave me favour in the jury's 👁️ eyes...

But I think God wanted me to experience His goodness, as the drama that I had written and which was chosen as best, was about seeking our Heavenly Father. I had promised God to dedicate my writing only to Him if I can travel to Australia. And I got the scholarship indeed and wrote about God's goodness...

🙏🐣 Amazing journey... Have you ever felt like you got something you could never deserve ?

Thank God that our healing and the babies are love gifts. These bring us closer to God, help us experience His nature: love, grace, life, strength, victory. I will keep testifying in my future books of His goodness.

🙏 He did it once and He has already provided us with our breakthrough again, so we shall see His goodness. By grace we can always see His favour.

🙏 I bless you to see what grace is: getting million times more than you have expected or could ever earn. 🎁🌸🌺

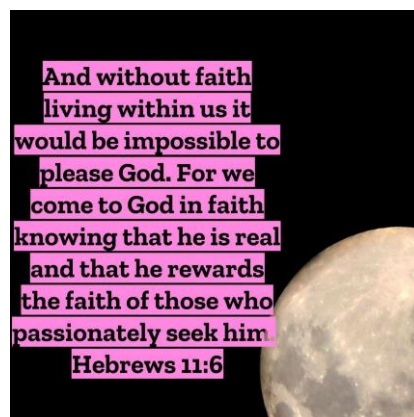

Greetings Mommy and Daddy of creation power. 🌍

The Bible uses the word "katartizo" to say "create". 💎 It has a rich meaning: to fit together, perfect for its full destination, restore, adjust, equip, make what it ought to be, join together. ❤️👉 This is the nature of the Creator: create, heal, create new organs, join spouses together, guide the unmarried to the spouse for marriage. 💎

The Greek word "Ginomai" is used in this verse to say happen, become, be born, give birth to, come into existence. This means that creation and child birth are equally precious to our Heavenly Father, and they are all Him, His nature, when good things HAPPEN, MANIFEST, BABIES ARE BORN.

How great that we were given His Words and the faith of God to create. 🌸🌸👉 We don't need perfect organs to conceive. We just speak the Word in faith to create life.

👉 I bless you to give birth to your miracle according to His divine plan and nature.

Greetings Mommy and Daddy of living, divine faith. 🎁🌸

I am listening to Andrew Wommack's great teaching series on faith. He emphasizes that it is not enough to know that there is God, as even the devils know that. We are to know that He rewards us for seeking Him, we were heard, granted grace for our now-healing or conception. ❤️👉👉👉

Holy Spirit revealed to me how much we can be convinced of His favour and love for us: we can be like Abraham, who believed in God's goodness and help, even when God asked him to sacrifice his beloved son.

We can be like the pagan woman who knew Jesus would grant her the healing, even when Jesus compared her to a puppy. Wow.

🙏 I bless you to dare to allow God flood your heart with love and grace and conviction of His now-help in your need.

Greetings Mommy and Daddy backed up by Holy Spirit. ❤️🙏

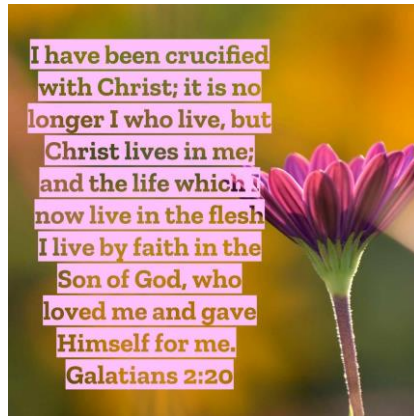

Mom Pam recommended to me Benny Hinn's awesome book, which is his life testimony of his relationship with Holy Spirit. The book describes how He helped him do the impossible, how He showed him the meaning of the Words, how he became His best friend.

In this short audio book he teaches on how Holy Spirit is equal with the Father and the Son, He is the Spirit of God, God Himself, so He can be worshipped, talked to or even made to mourn.

Why do many Christians experience failure? Benny Hinn's answer is: people don't consider the mightiest person in the world: Holy Spirit.

🙏 I bless you to consider Him in everything and expect victory. Dear Holy Spirit, help us pray, heal the sick, conceive, give birth, preach the gospel to bring life in people's ❤️ hearts and situations. Amen.

Greetings Mommy and Daddy of mighty faith! ❤️🙏👑👑👑👑

Andrew Wommack explained in his teaching how much it meant to him to learn that our faith is divine, it is the faith of God Himself, perfect.

Jesus loves, lives in us, through us. Our faith is like the Creator's faith, we can speak 🗣️ and things are created, born, come into existence. 🙏

Andrew needed money urgently so he grabbed a chair and declared that even if this chair 🪑 has to turn into money, he has it. 💰 His help came indeed.

🙏 I bless you, us to have confidence in the effects of the Word, Holy Spirit and our divine gift, our faith. Hallelujah ❤️

Greetings Snow ❄️ Queen and Snow King! (1 Peter 2, 9.)

I was so happy when I read this above Scripture a few weeks ago. I wanted to see some snow and in the name of Jesus I commanded it to fall. Then not much happened... 😞

I didn't understand, because before I almost always saw results when I prayed in the name of Jesus, even about the weather. 🙏👑

But of course it's not just about what I want. Many people complain that the country is threatened by desertification, that the winters are becoming milder...

But Jesus Christ is the God who Provides (Jehova Jire), he saved us and our country from drought. (Deuteronomy 28, 12. 2 Cor 1, 20.) He provides us with all good things, fulfills all our needs. (Eph 1,3). He removed the curse of drought from the country, for Christ's sake and because He loves us. (Gal 3, 13.) Therefore, we can announce that our countries have plenty of rainy, snowy and sunny ☀️ days, hallelujah. Jesus took care of these and restored the climate of our countries. Hallelujah.

When I wrote this, it was the end of March, and I announced again that there is enough moisture in Hungary, and then... ❄️❄️❄️❄️❄️ I was so happy about the snow ☁️, and it even snowed for two days. Thank God.

Since we live in the new covenant and Christ lives in our hearts by His Spirit, we can access the storehouse of ❄️ snow and the source of Life. In our body, in our life, there is the life of Jesus, the great power of resurrection.

Imagine how God's life-giving power flows in your body, in different areas of your life, watering your organs and relationships, just as ❄️ snow and rain make the soil fertile and fruitful.

Elijah was only human, but when he commanded, the drought ended. Jesus also encouraged his disciples not to be afraid. He set an example when he silenced the storm with one word. That's why I encourage you to dare to command blessed rains and the right amount of sunny days for the country!

🙏 I bless you so that you can see the abundant power and blessing you have received in Jesus.
Amen.

Greetings Mommy and Daddy reaching the fullness of God. ❤️🙏

Wow, how great that we can reach a lot deeper, more intimate relationship with Jesus, can experience the power of His love, the great effects of His love- sacrifice. 🙏

What does this verse mean to you ?

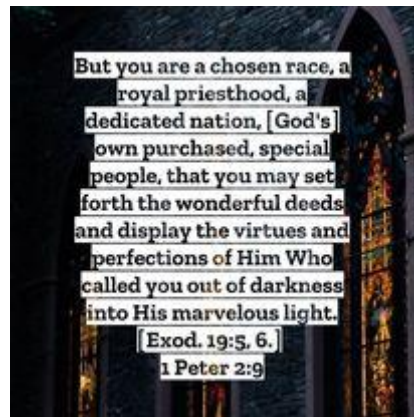

The length of His love means to me that we can spread the powerful gospel till the ends of the earth. 🙏

The depth off His love means that He washed away all the deepest sins, the worst habits rooted in the heart, the root of all diseases. ❤️

The breadth of His love means that His love reaches all type of people even through us. 🙏

The height of His love means that He elevated us to His throne to reign in life.

👑 I bless you with this very prayer.

Greetings happy Mommy and Daddy of many children. 🙏

God is the God of the living. He knows our children, Jesus died so they may live. They are not half-alive, but fully alive. His yes is yes and amen. There is no grey with God, He is the Light. Hallelujah.

🙏 So I declare this over your children and ours. They are a chosen generation, dedicated to Jesus, purchased for God at the price of Jesus' blood. They display His character and goodness. They have come out of the darkness, they are living and manifest, they are the salt of the world, they come to the visible world. Amen.

Greetings Mommy and Daddy surrounded by glory. ❤️🙏

I asked Holy Spirit to teach me to believe in my miracle, to raise my expectations. 🙏🙏 He told me to meditate on the miracles in the

Bible.

Which is your favourite one and how does it teach you about His miraculous ways?

When Moses and Aaron needed water and meat. But there were no animals, no rivers surrounding them, just the 🏜️ desert.... Sand... But when Moses struck the rock, water 💧 came. When they spoke, the birds came to be their food. 🐦 Out of "nowhere", out of no visible source came LIFE, FOOD.

Out of the invisible the visible was born. It takes your heart, the Word and Holy Spirit. Hallelujah.

Maybe you experienced dryness, desert, disappointments, no life, negative pregnancy tests or bad medical reports. But out of your heart, your faith, Holy Spirit mightily brings forth life, that is how miracles work. 🌳

🙏 I bless you to consider your miracles done by God - against all odds. I bless you to know that testimony, children are precious, they are/bring spiritual food to the world 🌍. Behold His glory, see the results of our redemption.

Greetings Mommy and Daddy of perfected faith. 🐦

Maybe you have also wondered if you can believe strong enough. If Mary was able to believe to give birth, even if she had no man in her life physically, we can also be convinced of His help. 🐦 Holy Spirit can guide us into faith' perfection.

🙏 If God could convince the 90 year old Sarah, even if she first laughed at God Himself, He can surely persuade us...

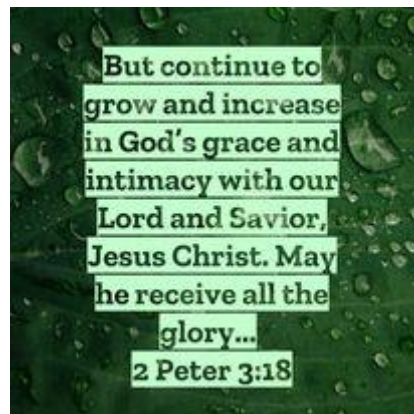

🐦 🏰 If the Shunnamite woman could reach faith, and even believe in the resurrection of her son, even if earlier she had been so afraid to dare to believe when Elisha proclaimed that she would miraculously conceive after years of barrenness.

Then we can ask Holy Spirit to help us believe that we can see healing, fall pregnant, too. 🙏🙏🙏🙏

Let us look to Jesus, not ourselves 🙏.

Faith is always generated by God, we cannot produce it, but God can. Hallelujah.

🙏 I bless you to trust Him to perfect your faith and expect great results. Amen.

Greetings Mommy and Daddy, growing up in grace. 🙏

I was so touched by what Andrew Wommack taught in his teaching series titled: Faith. When the devil says: "you miserable wretch, why do you think God could use you? 🙏 Look at your actions, even in your prayer you lack dedication, you had a quarrel, too little Bible study... Look at your actions..."

But then Andrew says: "yes, I only pray in union with Jesus, do anything in Jesus' name. I am used by God as I have more and more faith in Jesus' grace and less and less in my own self." 🙏 Hallelujah.

This way satan cannot accuse us or trick us or steal our victory.

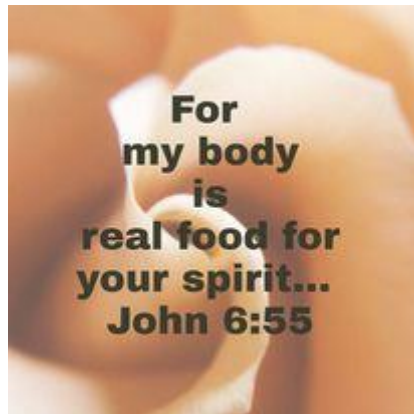

🙏 I bless you to grow in grace and intimacy with Jesus in the Spirit. Amen.

Precious comment by mom CheraDee:

Hi Marianna, thanks for sharing!

This is how I deal with negative messages from the enemy: I know that the devil is a liar and the father of lies. So, what he says is actually the opposite of what God is doing and saying. Catch the thief and he has to repay you 7-fold!

Have a blessed day!

Greetings Mommy and Daddy, nurtured by Jesus' power. ❤️🙌

In my dream I saw a gas cooker and 2 big pots of soup 🍲🍲 on it, which were almost done. Then two more new pots were added.

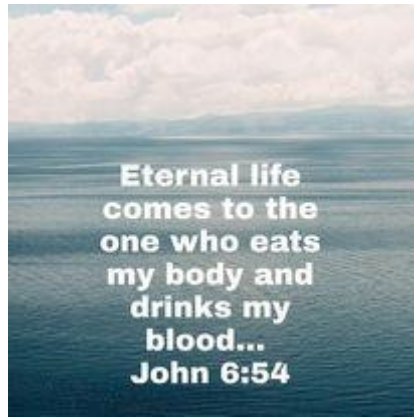

God often refers to our dogs as adopted kids, so I know He showed me how my dogs' lives and their development are important to Him. And two babies are coming (two more pots). 🍷👶👶

Holy Spirit showed me that we can declare that with His help I can manage to pay attention to all the kids and animals. Even if cooking more dishes at a time is not easy for me, and cooking used to be a source of anxiety, with Jesus I can do thst.

Just like the gas cooker, Holy Spirit is my 🔥 fire, warmth. Jesus' body is my food. Jesus is my nurturer, strength, ability to cope. Alone I could not make it, but in Him I am able. Where I am weak, He is strong.

🙌🙌 I declare your kids are coming and you and your hubby can wonderfully bring them up in Him.

🙌🙌 Thank God, I have had more success with cooking since this dream.

Greetings Mommy and Daddy of Jesus' body. ❤️👶🍼👶

I thank God for Jesus' body. It was given to us so that we can rely on resurrection power, restored life, regenerated cells, mighty authority to multiply, favour, healing power.

I thank God that He can raise even the dead to life. He can create life, people even from the dust.

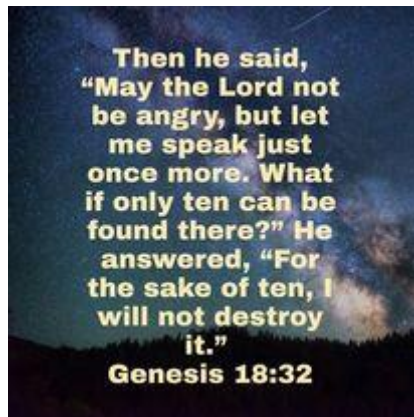

We are out of the equation, as mom Mariah formulated. This means that we can allow Jesus to lift the weight off our shoulders, the healing and the divine conception is not up to us, but we can look to Jesus' deeds, not ours.

We can look at the perfect strength of Jesus and don't have to worry about physical imperfections.

Jesus is mighty to bring life out of a withered womb. 🍼👶 Where the sperm or body is weak, Jesus is the strength. Oh God, how able and strong we are. Thank you, Jesus, for my sister's babies, health.

👶👶 Now I bless the Lord for your blessings and endless life- force.

Greetings Mommy and Daddy rooted in grace. 🌿

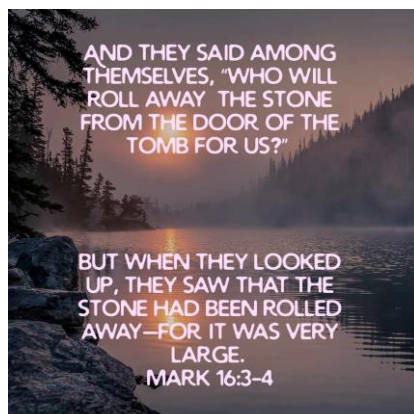

Holy Spirit started to talk to me through these words. What grace. 🙏 A whole city, thousands of people could have been saved.

I thought: If Gomorrah and Sodom would have been spared for the sake of 10 righteous people, the same grace is true to us concerning healing or baby blessing. If we have ten true thoughts, our blessing is granted and cannot be undone by thousand worries.

But then Holy Spirit answered to me: you don't have to count your thoughts 💬. Because of Jesus' countless loving thoughts towards me, the healing/ baby blessings are done. 🙏

🙏 I pray we all learn to rely on His thoughts towards us, because it births forth good thoughts 💬, life in our body. 🌿

🙏 I bless you never to judge your chances on the basis of your own goodness, but His. Then you have all chances to see victory.

Greetings Mommy and Daddy whose God can roll away all hindrances.🙏🏾

Jesus is risen indeed! 🙏🏾

📖 How hard it must be to stare at death, or an empty tomb. Thank God we don't need to fear an empty womb, death or a heart made of 🗑️ stone. Because our God, Jesus, rose, penetrated heavens and the stone was rolled away supernaturally. ❤️🙏🏾

If these were possible, your need is met, your desire is fulfilled.

🙏🏾 I bless you to know that you don't need to fear hindrances or any humanly impossible situation. The door of blessings is open to you, because this God created YOU, loves YOU, died for YOU, cares for YOU, gave YOU His favour and resurrection power.

🙏🏾 I bless you to experience that the provision is there, just believe and rest in His goodness .

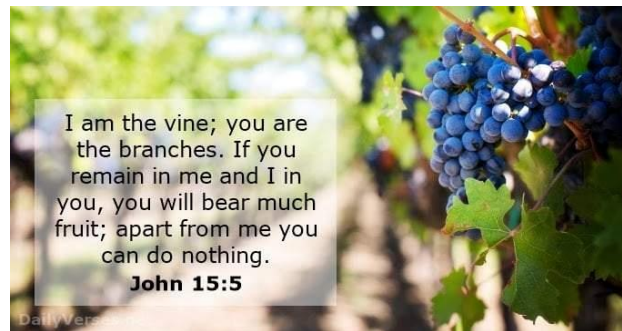

Greetings Mommy and Daddy of fast deliverance. 🙏🏾

Your God is different from the idols, who don't show themselves great, who seem to be silent and indifferent. The idols' servants kept hurting themselves all day, but Elijah spoke and fire came down from heaven immediately .🙏🏾🙏🏾❤️🙏🏾

Our God answers with passion, fast, when we connect to Him knowing that He loves us.

🙏 I bless you to know that Elijah' spirit and power is in you. Amen. This amazing favour and loving Father is yours. ❤️👉

Greetings Mommy and Daddy of much 🍇 fruit.

While walking Holy Spirit talked to me about the wine. The branches don't strive to grow high, towards heaven, towards fame. They grow parallel with the earth. It reminded me of the right attitude of our hearts. We don't need to make an effort to be big and famous. We are to reach people, serve people on earth, we share in Jesus' glory, and not seek our own.

The cluster of grapes 🍇 reminded me of numerous little fruits in one place, like many people in one place, believers communing with each other in congregations. 🍇🍇🍇 This is our mission on 🌍 earth: to establish many congregations, sweet like the Word.

🙏 I bless you to know, how you can grow in Jesus, let your roots go deep into His love. Let your arms go wide into the nations.

The cluster of grapes 🍇 look like the 🫁 lungs, full of air symbolising Holy Spirit.

🙏 I bless you to enjoy Holy Spirit's mighty guidance in your life lived in union with Jesus.

Greetings Mommy and Daddy of love gifts. 💖

I was so overwhelmed with joy when I listened to Kenneth Hagin's preaching on this verse. He said: why would we go to the throne of grace if we had done all things perfectly? Only imperfect people need grace.

So thank God we can go to the throne of grace and RECEIVE LOVE GIFTS.

GRACE, CHARIS in Greek means grace, gifts and blessings brought to man by Jesus Christ. It also means favour, gratitude, kindness. 🙏 Oh God, how great You are! Grace is equal to giving gifts!!! Grace equals to gratitude.

🙏 I bless you to envision yourself getting grace, love gifts at the throne in Jesus. Hallelujah.

Greetings Mommy and Daddy, chosen by grace. 🍇

I was watching a hilarious, great film. <https://youtu.be/DSoG9aRipVU> A man was chosen -totally unmerited - for a great- earning job. Even if he was lazy, sleeping at work, he got to earn much in a little time.

This reminded me of how we got born again. We never earned God's attention. Like Paul or Moses, who were murderers, but still were chosen to be billboards of God's miracles.

🙏 I bless you to enjoy peace knowing that we don't have to measure up to a standard in faith, only know that by grace we were chosen- we get unmerited favour. This empowers us to enjoy His goodness, power and the fulfillment of His precious promises. 🐾 I bless you with amazing job opportunities.

Greetings Mommy and Daddy of great victory. 🏰

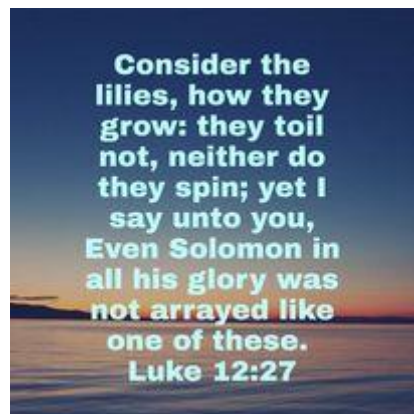

My friend, mom Esther recommended me a great teaching series on our authority. Part 8 is about Kenneth Hagin's testimony. At the age of 16 he was fatally ill. He got healed but only after months.

Did it take months for God's power to take effect in his life? No, it took for him that long to unlearn false teachings about how God does not heal anymore.

But first he had to repent of the sin of worry. When somebody stays in a sick bed, they have plenty of time to worry. When do we worry? When we think anxiously about a matter. When he repented, he opened the  door to God's healing power to operate in his life.

Fighting the good fight of faith is similar to sitting in a swing. When a child wants to swing up to a certain height right with the first push, the kid can get  hurt. So sometimes it takes more pushes and swings to get to our goal. Just keep going in the right track, keep the right swing and know that you are getting there for sure.

 I bless you to know your victory and keep up your faith.

Greetings Mommy and Daddy,     dressed in glory, dressed in Jesus.

We don't need to worry about our LIFE, what we eat, drink or wear. Our Heavenly Father's provision encompasses all fields of our life.

Clothes often represent our body in the Bible. For example we will put on our heavenly bodied like clothes. 1 Cor 15, 49. The original Greek says "phoreó"=wear like clothes.

 A similar word is used in Eph 6,11. when we are instructed to put on the ARMOUR of God- like clothes.

🔖 Psalm 93, 1. says that the Lord has clothed Himself with STRENGTH, so we don't need to worry about strength, ability, power or authority, either. We have been given an abundance of these.

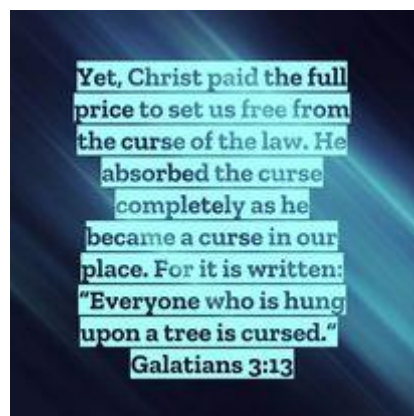

I was so touched when I heard in Kenneth Hagin's testimony about how "not worrying" opens the door 🚪 to God's power. We should not worry about our LIFE. Luke 12, 22. Even in a death and life threat situation we can "not worry" and experience healing, blessings 🌸.

But how can we "not worry" 🤔 Holy Spirit can show us when we worry and help us replace worries with the Word. We need to speak out the Word. God surrounds us with grace and guides us in His abundant fatherly love and forgives us when we stumble and gives us revelation on Jesus' perfect faith given to us.

Like Abraham, we can trust our Father with the whole life of our children. 🙏🙏🙏 Their whole life, from conception, to any need in their lives.

🏔️ In my heart I can hear Abraham's words echoing as Isaac and he were walking up the hill, where he was to sacrifice his son: "God will provide for the sacrifice. Don't worry, beloved son, even if we cannot see how, God has provided. Your life is not in danger, you will see His provision, where logic says there is lack/ danger."

🙏 I bless you to know the fearless Lion of Judah in your heart. He is your provision and life .

Greetings Mommy and Daddy of full blessings! 🌸🌸🌸

Holy Spirit made this verse so alive to me. Some years ago I saw a vision of a prison with an open door. Jesus opened the door of our prison and we were set free. We can walk out into freedom.

"So until the revelation of faith for salvation was released, the law was a jailer, holding us as prisoners under lock and key until the "faith," which was destined to be revealed, would set us free." 📖🔑 Galatians 3:23 TPT

Holy Spirit told me that our jail, the curse (disease, infertility) is nullified, dead in our life. 🌸

Jesus fulfilled the law ➡ and the promises in our lives are manifesting just as strong as Jesus' love and His good deeds are. Hallelujah. 🙏🙏 I bless you to see Jesus' love and goodness mightily transform your life.

Greetings, Mommy and Daddy of glorious treasure within and immeasurable power. ❤️🙏🙏

Thank God we are special, made WONDERFULLY by God, we carry Jesus' resurrection power, even if we are fragile and weak.

Just like Gideon's clay pots were full of light and brought victory without self-effort, we can also experience great victory based on Jesus and the greatness of His mighty, finished work.

🙏🙏 I bless you to see yourself carrying great blessings and power. Hallelujah. I bless you not to consider your own weakness, because you only need to hold His strength by grace.

Greetings Mommy and Daddy of strength! 🙌

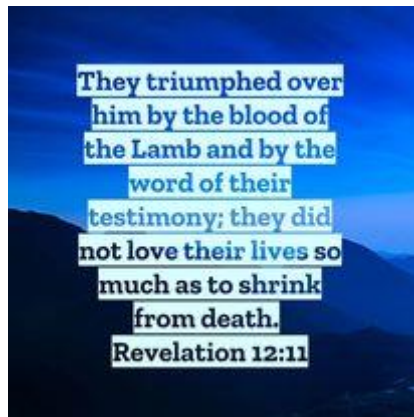

Our family invited us to a church, where my hubby used to go as a teenager and young adult but left for a good reason.

We went there to meet a prophet whom they like so much. I love prophesy, so you can imagine how excited I was... After the sermon he prayed and prophesied for the people. I didn't feel like opening up about the babies. I wanted to ask: how can I see my victory, His strength in my womb and ministry? But we don't feel so safe there, so I just asked for prayer to get encouraged and strong in the Lord.

My prophesy was amazing, although it didn't sound so interesting for the outsiders. Holy Spirit announced that God has good plans for me, full of hope and children. 📖 When I spend time in the Word, I succeed in all. I understood that Jesus is the Word and He, the Word is the guarantee for my full power, that I can walk in His power. When we surround ourselves with the Word, and because of Holy Spirit in us, we can walk in full authority and power. 💖💖💖

This is the answer to how we can bear fruit, get healed and conceive. So simple, such grace, Jesus=the Word in me=strength in me=babies, life, answered prayers, healing to us all.

🙏 I bless you to see what power resides in you, as you consume and announce the Word.

Greetings Mommy and Daddy of victory. 🏰

Holy Spirit answered me to the question: how to experience victory? 🤔

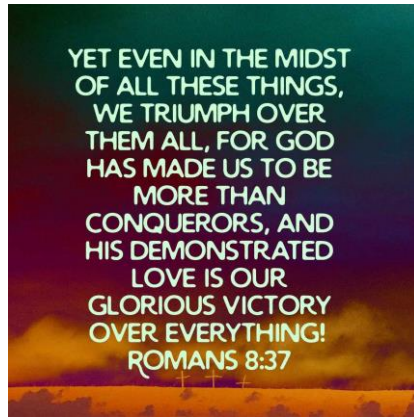

God gave us all by His grace. 💖 Jesus finished His Work and set us free. 🕊️ We need to believe that this ✨ changes our personal situation and confess the Word. 🗣️ We can boldly testify that we have been saved, helped even before we see our miracle.

When I heard mom Julie testify in hope and faith, even before her positive pregnancy stick, I felt Jesus' blessing and triumph, confidence and joy unspeakable. 🙌 🏰

She wrote me: "Yes, this month was my month and this month was the month when I experience how I was risen in Jesus. I was given His new, glorious body. So I have no pain, no shame, and no illness anymore, no childlessness anymore in Jesus... As my husband preached about Jesus' glorious body: even if our bodies are weak in the physical, because of all that Jesus did on the cross, we already have bodies like Jesus'. We received our miracle this month, we are already blessed. Amen."

🌸 What is your faith declaration, mommy? 🤔

🙌 I bless you to live and speak your testimony.

Greetings mommy of victorious love.

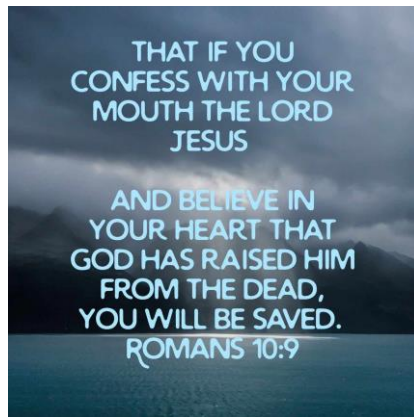

Some days ago some bird 🐦💩 shit got stuck on our 🚗 car. You cannot remove it so easily by scratching, we had to put on a wet towel to get it soaked. Then it could be easily wiped off. Otherwise the paint could have come off!

Holy Spirit reminded me of the significance of "patience". Some stains can only be removed with time, or else damage is caused. We need to trust that our patience is a divine characteristic! Our persevering trust was not in vain, it brings fruit for sure. 🍏🍏🍏🍏

The TPT commentary of Gal 5,22.23. says that peace/patience subdues/overcomes the enemy, it means that patience is always tapping in God's power, it never quits.

In Rom 8,37 🙌 we see that love, (and its characteristic: patience) makes us more than conquerors. How? 🤔 We meditate on His love that He demonstrated on the cross and by pondering on His resurrection power in us.

🙌 I bless you to know that you are already given triumph in all things through His powerful 🤍 love.

Greetings Mommy and Daddy, redeemed from all harm. 🕊️

I was meditating on this verse and asked Holy Spirit about the significance of resurrection- it must be so important as believing in it brings salvation and current help in all need. 🙏

Then I envisioned what it meant to the disciples back then: that God interferes in the world of false religions, unbelief, lack, injustice, poverty, fear, disease and mourning... Our Heavenly Father is not indifferent, but all Jesus said is true.

All things are possible.

Resurrection power is personal and it released your miracle, Mommy, Daddy.

Jesus is even stronger than death.

This power is available for you for your miracle! 🙏

"If you openly declare..."

Whenever there was healing or a miracle in the Bible, it was preceded by the spoken command of a prophet. But- I 🗨️ thought- The resurrection did not happen at a human's command!

Then Holy Spirit reminded me of how Jesus had announced to His disciples that He would soon die and be resurrected.

Wow! I 🗨️ thought: this is how mighty our faith declarations are! The Word and our declarations carry the power to make the miracle happen. The Word is indeed full of power, it is alive and inbirths faith.

🙏 I bless you to know how great a difference your faith- in Jesus' lordship and in His resurrection - makes.

Greetings Mommy and Daddy strengthened on the left and on the right. 🙏🙏

The TPT commentary explains how we are interceded for by 🙏 Jesus (Rom 8,33) and by 🙏 Holy Spirit (Rom 8,26.27), similarly to how Hur and Aaron kept up Moses' arms during the battle and how Israel won as long as Moses' arms were up.

"Pray for/ intercede" in Greek is "entugchanó". It has an amazing meaning: make suit, intervene, hit the bull's eyes. It is the opposite of sinning.

Jesus and Holy Spirit are making sure that we win, fulfill our God given purpose in life. They hate lack and defeat just as much as sin. We can base the certainty of our victory on them. They are sure to hold up our hands.

🙏 I bless you to trust them and stay close to them, and know that victory is certain. Let them keep up your heart in praise, allow them to sustain your body in strength and surrounded by their support and influence.

To be continued...
